

A close-up photograph of a cluster of pink hydrangea flowers. The flowers are in various stages of bloom, with some showing vibrant pink petals and others appearing more white. They are surrounded by large, bright green leaves with prominent veins. The background is slightly blurred, showing a grey concrete surface.

To Our Dads

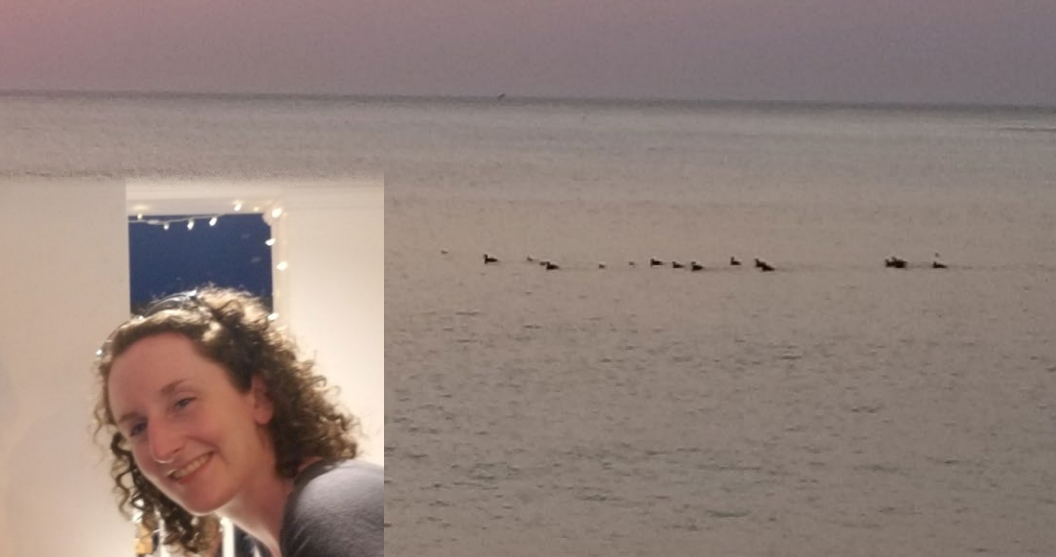

On Father's Day

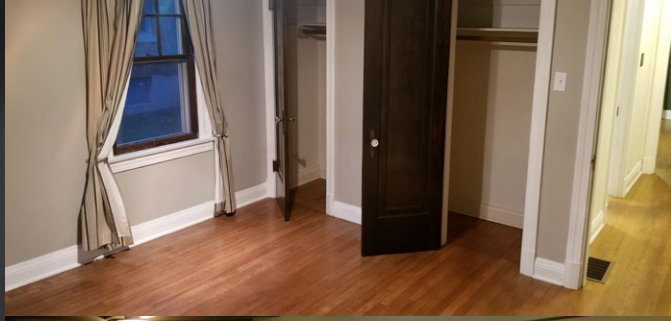

It took us a while to grow up...

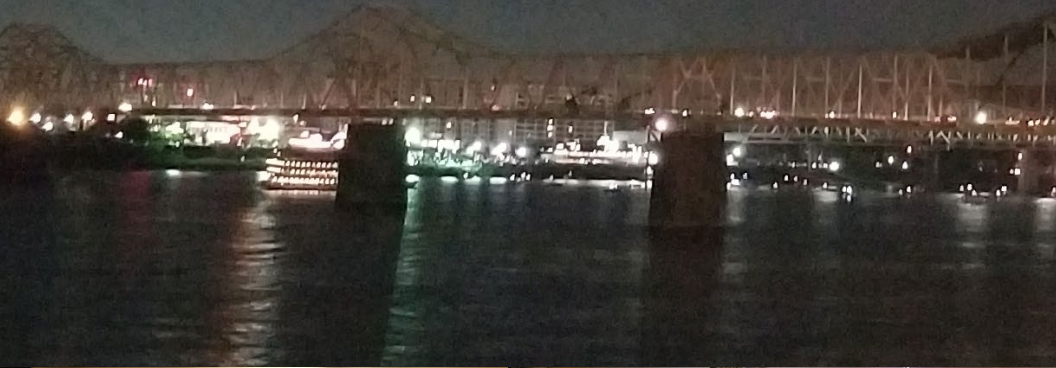

...and even though there were times you might
have thought we wouldn't grow up at all...

...you were always there for us when we needed you most,
to help us, to encourage us, or to give us advice.

Thank
you...

...for everything
you've done to
help us build
our lives
together.

With Love,

Katt and Joe
